San Diego County HHSA Behavioral Health Services Alfredo Aguirre, LCSW Director P.O. Box 85524 Mail Stop P-531C San Diego, 92186-5524

Dear Mr. Aguirre:

AUDIT REPORT – UNITED BEHAVIORAL HEALTH

We have examined the Short-Doyle/Medi-Cal Cost Report and Data Collection (CR/DC) report of San Diego County for the fiscal period July 1, 2003 through June 30, 2004. Our examination was made in accordance with Section 14170 of the Welfare and Institutions Code and included such tests of the accounting records and such other auditing procedures, as we considered necessary in the circumstances.

In our opinion, the amount shown in the accompanying Summary of Federal Short-Doyle/Medi-Cal Net Program Costs (Schedule 1) represents the actual net program costs allowable under the above-mentioned statutes.

The effect of this revised allowable program costs is as follows:

Net Short-Doyle/Medi-Cal Program Cost As Reported (FFP)	\$ 286,360
Net Short-Doyle/Medi-Cal Program Cost As Audited (FFP)	 28,097
Overstatement of Net Program Cost (FFP)	\$ 258,263

If you disagree with any of the results of this audit, you may request an informal conference. This request must be in writing and be received by the Department of Health Services within sixty (60) calendar days following the date of receipt of the overall County Community Mental Health Services report.

Alfredo Aguirre, LCSW Director January 23, 2009 Page 2

Your notice of disagreement should be directed to John Melton, Chief, Administrative Appeals, Office of Legal Services, Department of Health Services, 1029 J Street, Suite 200, Sacramento, CA 95814 and should be in conformance with the provisions of Sections 51016 and sequence, Title 22 of the California Code of Regulations.

UNITED BEHAVIORAL HEALTH A SAN DIEGO COUNTY CONTRACT PROVIDER MANAGEMENT COMMENTS AND RECOMMENDATIONS FISCAL PERIOD ENDED JUNE 30 2004

FINDING - RECLASSIFICATION OF MAA COSTS

Our examination disclosed that United Behavioral Health (UBH) reported total Medi-Cal Administrative Activities cost of \$1,322,830. The MAA activities were Medi-Cal Outreach (Mode 55, SFC 01) \$4,711, Crisis Referral According (Mode 55, SFC 11) \$399,971, Discounted MH Outreach (Mode 55, SFC 17) \$914,985, and Non-SPMP Case Management (Mode 55, SFC 31) \$3,164.

However, County's submitted MAA Quarterly Claims on behalf of United Behavioral Health contractor were as follows:

1st Quarter: \$328,247 2nd Quarter: \$315,559 3rd Quarter: \$326,651 4th Quarter: \$310,942 Total: **\$1,281,399**

The quarterly claims total of \$1,281,399 did not tie to United Behavioral Health Contractor cost report submitted by San Diego County on behalf of the contractor. The settled MAA cost of \$1,322,830 in the cost report is \$41,431 higher and cannot be explained by either the County or the contractor as of the date of this audit report.

The latest approved MAA claiming plan dated March 13, 1998 stated the number of employees and the employees' classification as follows:

Job Classifications	Number of staff
Medical Director	1
Community Outreach-Education Coordinator	1
Reimbursement Manager	1

Total Number of Approved Employees:	<u>43</u>

UNITED BEHAVIORAL HEALTH A SAN DIEGO COUNTY CONTRACT PROVIDER MANAGEMENT COMMENTS AND RECOMMENDATIONS FISCAL PERIOD ENDED JUNE 30 2004

FINDING continued...

UBH working paper identified 25 MAA staff that included total salaries and benefits of \$684,138. These MAA salaries and benefits were calculated using total UBH employee count rather than actual MAA staff salaries and benefits.

In addition, Intake Clinicians were included and were not approved in the MAA plan. UBH included 10 employees' Intake Clinician's salaries and benefits. Thus, those job classifications not found on the approved MAA plan were excluded in calculating MAA salaries and benefits.

MAA Testing

The Department tested 100% of the UBH claimed MAA salaries and benefits. MAA time sheets were requested for all 25 MAA staff. However, the contractor can only provide employee time reports rather than certified MAA time sheets for each 25 employees. UBH employee MAA time reports were electronic data reports which were not certified by UBH staff that claimed MAA hours. The UBH MAA time reports included the employee name, date of activity, MAA activities, and number of MAA hours.

UBH MAA time reports were electronically "input" by each MAA staff. Although the MAA time reports generated by the computer system had no employees' certification, UBH claimed that "Each Access and Crisis Line (ACL) clinician has a unique user name and password and must log into eCura in order to log a call. The Access and Crisis Line (ACL) clinicians are required to log every call received in the Contact Tracking module of the eCura Information System.

A time stamp in the background stores the start time and corresponding end time for each received call. All received calls reflect the "Opened Date and Opened By fields, and starts the Elapsed Time". After each call, the ACL completes the remaining fields in the Contact Tracking form.

The UBH Management Reporting System allows UBH to extract the call data and compile detailed reports of all calls logged in the Contact Tracking module. These reports were used to create the MAA time tracking reports by clinician based on the call type recorded in the Contact Tracking form.

MAA Costs and units

The audited MAA salaries and benefits cost of \$69,060 was the basis used to determine the MAA percentage to calculate other operating costs and indirect cost for MAA. The Department identified and \$61,272 other costs. The difference of \$1,192,498 remaining claimed MAA costs and 176,237MAA units were reclassified to Mode 45 Outreach Services to reflect the contractor's records.

RECOMMENDATION

We recommend that the County follow instructions per the DMH Letter No. 04-10, Cost Report Policy dated October 19, 2004. Under Section I J, when reporting the MAA program costs. This section states, in part:

"Costs for MAA activities must be actual cost and therefore must be directly allocated."

In addition, under the cost report instruction, MAA costs reported in the cost report must be based on actual staff time captured at the service function level. The County must ensure that all records utilized in the preparation of the Short-Doyle Medi-Cal cost report must be properly kept and readily available for review. Supporting documentation must be properly labeled and have an audit trail. Accounting records and supporting documents must be retained for four years after the closing of the fiscal year or until such time as the audit has been settled for the fiscal year.

In addition, internal procedures in record keeping must be implemented to ensure that all supporting documentation are properly filed and kept. This will facilitate the completion of the audit in a timely manner.

The lack of compliance with these provisions could result in audit exceptions in the future.
